Ms. Chelsea Lusby**

Dear Parents and Students,

In an effort to allow you to prepare well in advance of the school year, here is the list of supplies students will need for English class in 2016-2017. There will be periodic projects throughout the year when students will need to purchase their own specialized supplies as well. Thank you! ~Ms. L- :)

- **Binder that will be used just for English class**
- 5 dividers
- Blue or black ink pens (no gel pens or pencils, please! My eyes can't take it!)
- one box of page protectors
- Red, green or purple pens for correcting/revising/editing
- Loose leaf paper (3 hole punched)
- A pack of index cards—3X5 (you may need to buy more as the year goes on)
- 3 ring zippered pencil pouch to hold index cards and other items
- USB flash drive
- Highlighters: any color
- Colored flag sticky notes such as these: (the colors themselves are not so important as long as there are at least four different colors)
