## **Dress Code (con't)**

Students are required to dress and groom themselves neatly, cleanly, conservatively and appropriately for the school setting. Teachers will set the example and will provide guidance to students. It is intended that students learn the importance of dress and grooming in interpersonal relationships. Decorous dress correlates to well-mannered behavior.

Appropriate grooming for school includes personal cleanliness, well-kept hair, and moderation in the use of make-up, perfume or cologne. Boys must be clean-shaven.

Clothing for school should be of conventional style and neat in appearance. The style and fit of clothing for both girls and boys should be modest in consideration of the developing sexuality of teenagers.

Any clothing with pictures, logo or lettering must be appropriate to the school setting, i.e. not portray any product, item or activity that is not allowed at school such as drugs, alcoholic beverages, tobacco products, etc., not convey any inappropriate message, such as vulgarity or sexual innuendo.

Shirttails for both boys and girls must be tucked in except for certain girls' blouses designed to be worn outside. The faculty and/or staff will make the final determination as to whether or not a blouse is designed in this manner.

Shorts of conservative length may be worn. (Conservative length = approximately halfway between knee and thigh but no more than 5 inches above the top of the knee.) The same conservative length applies to skirts and dresses.

Athletic clothing should be reserved for athletic events. This includes cutoff shorts, gym shorts of any type, sweat pants, jogging suits and any baggy shorts with an elastic waistband.

Shoes must be worn at all times while on school property.

Hats, caps and sunglasses are not allowed anywhere on CPA campus during school hours.
